Subject:	Re: NYT

Hi Margery
Sorry. I've just noticed this.
Please try. You can probably draw their attention to my dispute with the right wing and the gov. re the viability of 2 state solution/IL Security.
To my call to gov. to avoid letting Jerusalem to deteriorate into war of religion
And also to my request that IL will consider accepting the Saudi plan.
One of these might lead to a 2nd thought.
Best
Thx
EB
